GROUP STAGE · 3 GROUPS OF 4

GROUP A

TEAM	W	D	L	PTS

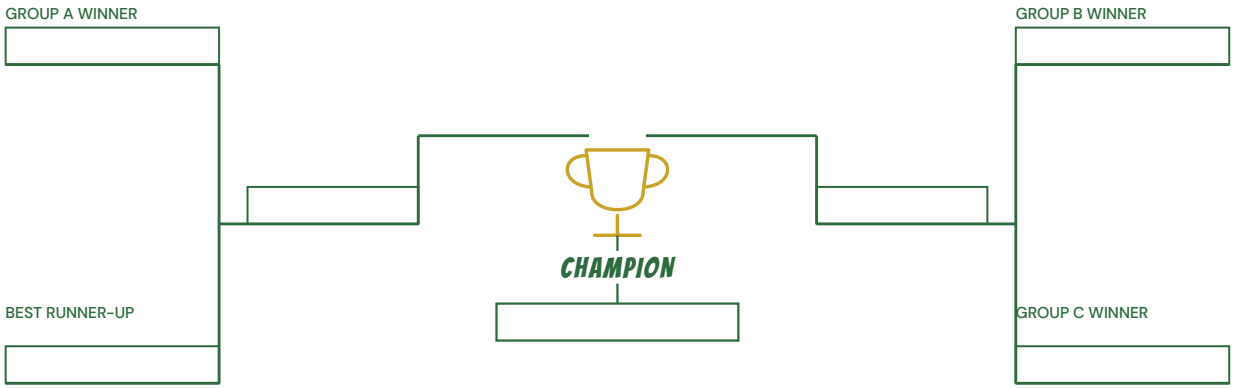

GROUP B

TEAM	W	D	L	PTS

GROUP C

TEAM	W	D	L	PTS

Final Four

HOW TO FILL IT IN Write each team into a group, then play round-robin (every team plays every other team in its group once). Track wins/draws/losses and points in the table (win = 3, draw = 1, loss = 0). Each group winner advances, plus the single best-record runner-up across all three groups — write those four names into the Final Four boxes and play it out to the Champion box.
